

You can join Romsey Action NOW!

Romsey Action is a non-party political association for people who live or work in the electoral ward of Romsey.

We share information about local events and campaign to make the ward even nicer than it already is. We organise social and cultural events and work closely with our local traders, councillors, council staff and community groups along Mill Road and in our conservation area. What we can achieve depends on your active participation. Membership costs £3 a year (£1 unwaged) - plus optional donation - renewable at our October AGM.

Further details, constitution etc available at www.romseyaction.org

To join now fill in this form and take it and payment to Steve Wynn, Romsey Action membership secretary, at Cutlacks store, 264 - 268 Mill Road.

The information you give us will only be used for Romsey Action purposes and will not be passed on to any other individual or organisation.
