Join Romsey Action NOW!

RA is an association for people who live or work in the electoral ward of Romsey, people who want to participate in the life of the community and have our say without doing so through fixed allegiance to one or other political grouping. We share information about local events and campaign to make the ward an even nicer place to be than it already is. We furnish details about local issues through our mailing list to promote well-informed and friendly discussions, taking each proposed development on its own merits.

As you can see overleaf, we organise social and cultural events working with partner groups like EMRAG. We also work closely with our local traders, councillors, council staffs, and

community groups along Mill Road and in our conservation area. What we can achieve depends to a great extent on your active participation. Membership costs £1 a year.

Our AGM takes place in October.

Further details, our constitution, plus photography competition news are available at our web site www.romseyaction.org

To join now, fill in this form and pay £1 to Steve Wynn, Romsey Action membership secretary, at Cutlacks store, 264 - 268 Mill Road or to any member

of the Romsey Action Committee at the Visions event on Wednesday May 15th 2013 (membership will run to the 2014 AGM).
